

# WHY CHOOSE J & K

LASER - FORMING - CUSTOM FABRICATORS

## LOCALLY SOURCED - AMERICAN MADE

We prioritize local suppliers and U.S.-sourced materials, supporting American manufacturing while maintaining superior quality.

## CONFIDENTIAL AND SECURE

We value your privacy and safeguard all proprietary information. Our team is experienced working with classified materials and sensitive project requirements.

## PRECISION & ACCURACY

Our advanced laser cutting and press brake equipment deliver consistent, high-tolerance results — ensuring every part fits perfectly and meets your exact specifications.

## RELIABLE DELIVERY

Our in-house fleet and trusted local freight partners keep your projects on schedule — no matter the size or location.

### MANUFACTURING

- Parts fabrication: brackets, panels, enclosures,
- Industrial machinery: guards, housings, and equipment parts
- Prototyping: 2D & 3D services quick turnaround for testing designs before full production
- Short-run and production run manufacturing
- Food-grade and sanitary stainless fabrication

### CONTRACTORS

- Cabinets, drawers, and enclosures
- Frames, brackets, and supports
- Countertops, backsplashes, and wall panels
- Ducting, roof flashing systems, and drip pans
- Custom stainless fixtures and furniture

### RESIDENTIAL

- Laundry: Sinks and Shelving
- Kitchen: Counters, Sinks & Wall Panels
- Miscellaneous: Shelving, roof flashing systems and decorative stainless steel features
- Outdoor: BBQ countertops, outdoor kitchen components, and weatherproof cabinetry
- Durable, easy-to-clean surfaces built for modern homes

We welcome opportunities to quote on projects that align with our fabrication capabilities. To ensure the most accurate and timely response, we kindly ask that bid requests include specific scope details or part lists rather than large, full-plan bid packages.

This helps us focus on providing precise pricing and faster turnaround for the work that best fits your project needs.

**Built to last. Made to impress.**

**Delivered on time.**
