

# COMMERCIAL KITCHEN EQUIPMENT

## Single Compartment Sink

This commercial-grade sink and workstation is built from high-quality stainless steel with precision welding and a sanitary finish. Designed for durability, easy cleaning, and efficiency in high-use kitchen environments.

## Multi-Sink Prep Station

Precision-crafted from food-grade stainless steel, this durable prep station features integrated sinks, seamless welds, and ample storage—engineered by JK Corp for high-performance commercial kitchens.

## Work Table

Crafted from high-grade stainless steel, this workstation combines durability, hygiene, and sleek design to elevate your kitchen's workflow. Built to last. Designed to perform.

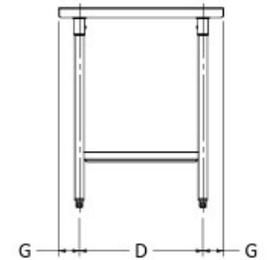

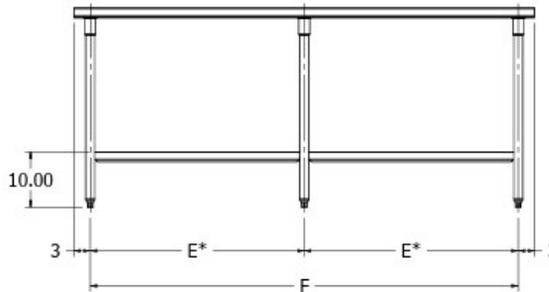

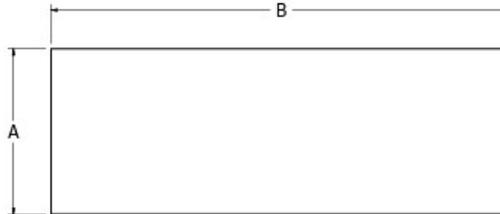

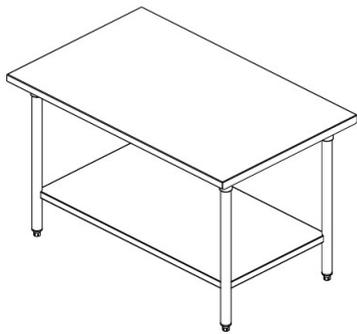

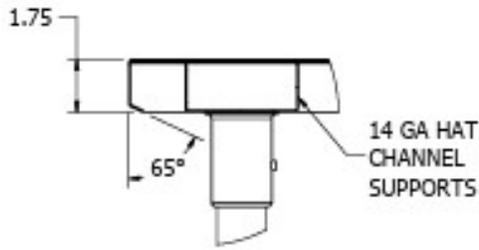

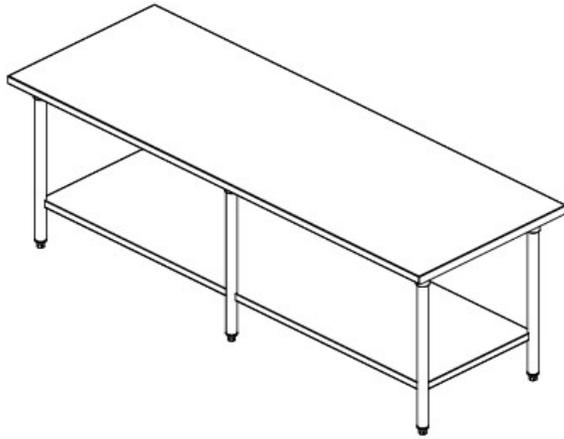

*EXCELLENCE IS BUILT INTO EVERY DETAIL.  
LET US FABRICATE YOUR FUTURE.*

## Quality Craftsmanship, Made in the U.S.A. Your Trusted Partner in Custom Metal Fabrication

At J&K, excellence is built into every process. From high-precision fiber laser cutting and CNC press-brake forming to expert welding, passivation, and polishing, our team delivers tailored, high-performance metal components using aluminum, brass, copper, stainless steel, and steel. Leveraging advanced technology and SolidWorks CAD design, we elevate your ideas—from artistic one-offs to complex, prototype-ready assemblies—across industries including aerospace, military, biomedical, food service, tech, construction, and more.

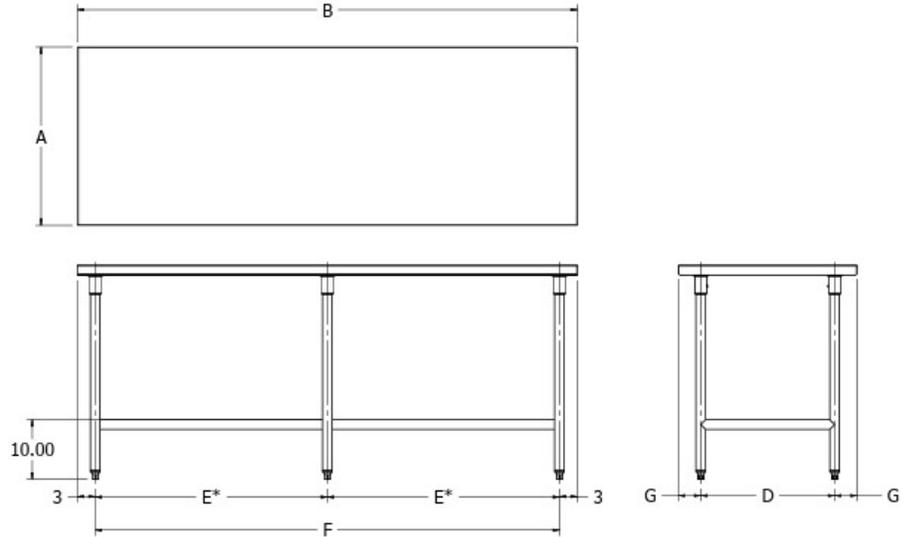

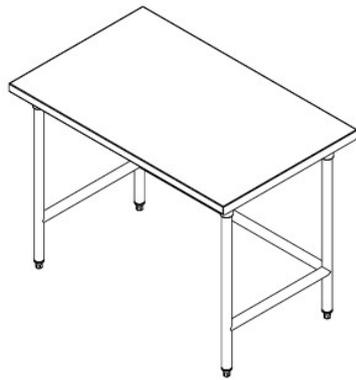

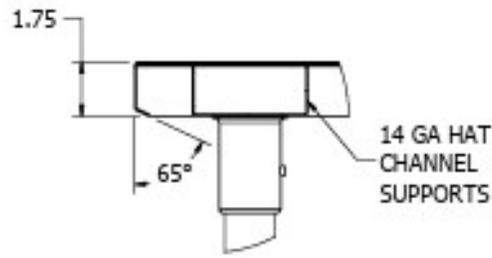

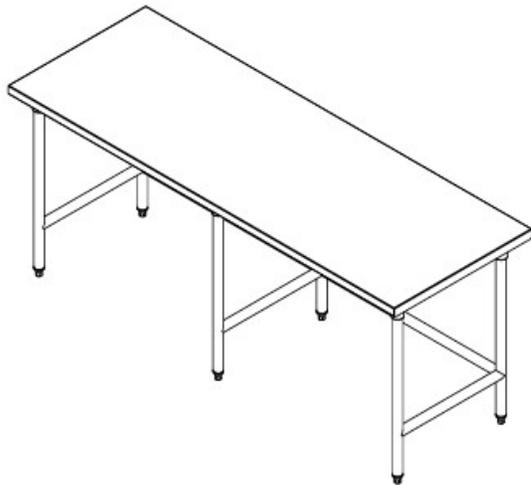

Based in the U.S., we're committed to reducing lead times, optimizing costs, and exceeding expectations with trust, innovation, and precision engineering at every turn.
